

1. Print this form and take it to a Formalwear rental shop for a professional measurement. Most Shops will provide you with a complimentary measurement as an industry courtesy, if you ask politely. One suggestion, it would be best to have socks and a full T-shirt with sleeves (not a tank top).
2. To insure your order is properly placed, please be sure to completely fill out the form on the Website, with payment information, and submit it to us preferably 60 days prior to the event.
3. Upon submitting your measurements you will be sent to a verification page with a map. This will be helpful so you'll know how to find us when you arrive for your second fitting.
4. To expedite service to you when you arrive, the total balance will be billed to your credit card so can we can provide you with a quicker and more efficient second fitting.
5. As a helpful suggestion, keep a record of your measurements in case we have any questions, or if you have any other events in the future. Of course if you change in weight it is always a good idea to get measured again.
6. Consider copying the bride and groom on all your info submitted, sometimes they prefer to keep a record as well.
7. Be advised that providing any incorrect information can delay your order and may result in additional charges.
